

## Solar System

Beat 1: Dancers clash as they pass by the right shoulder. The clash defines which direction they travel around the circle and how far out. Beat 2: Dancers continue around in their orbit. Beat 3: Dancers clash as they pass,  $\frac{1}{4}$  of the way around the circle ( $90^\circ$ ) from their starting point. Beat 4: Dancers continue. Beat 5: Dancers clash as they pass,  $\frac{1}{2}$  way around the circle ( $180^\circ$ ) from their starting point. Beat 6: Dancers continue. Beat 7: Dancers clash as they pass,  $\frac{3}{4}$  of the way around the circle ( $270^\circ$ ) from their starting point. Beat 8: Dancers continue.

Repeat on beats 9-16.
