

## Vines

Beats 1-4: First corners dance around each other  $270^\circ$  (by the right shoulder) and come out in the middle on the opposite side. Other dancers twirl (around right shoulder) one place anti-clockwise. Beats 5-8: Repeat with new first corners (who were previously 2nd corners) Beats 9-12: Repeat with new first corners (who were previously middles) At the end of beat 12, you should be in your original place. Beats 13-16: Gypsy with your partner (across the set).
